

Service Contract Terms and Conditions

1. Service/Equipment Coverage: This residential service contract (the “Contract”) will cover the adjustment or repair of the covered equipment or system; or the replacement of any covered functional part that fails through normal use as indicated on the front page of this Contract. The brochure provided at the point of sale is a part of this Contract. The brochure explains which parts are not covered and the circumstances under which the parts will or will not be repaired or replaced. If coverage is for a preventive maintenance and/or inspection only plan, no labor or parts coverage will be provided under this agreement. Contract applies to a single customer-owned residential property per agreement identified on the cover page of this Contract. Contract covers only one of each system per Contract. Equipment must be in good working condition and meet code requirements at the time service begins.

Constellation Home reserves the right to inspect and approve any equipment or system before issuing a service plan. We will waive this inspection if the equipment is currently under manufacturer’s warranty or if this plan is a continuation of an existing plan issued by Constellation Home. This initial inspection will be performed at our regular schedule of charges, which we shall disclose prior to such inspection.

2. Service Call: To schedule service under this Contract, call 1-844-307-4663. All non-emergency service calls will be performed during Constellation Home’s regular working hours (7:30 am to 5:00 pm Monday through Saturday). Service calls will be made under this Contract within our service territory only. Customer shall provide Constellation Home with safe access to and safe working conditions at and around covered equipment and/or system. The ability of Constellation Home to provide emergency service within 24 hours is contingent upon weather conditions, customer call volume, road conditions and no force majeure events beyond our control including, but not limited to, flood, fire, strike, acts of God, etc. In the event we determine, at our sole discretion, that there is an emergency situation requiring expedited service, we will make reasonable efforts to expedite service. We will determine, at our sole discretion, which repairs constitute an emergency and will give consideration to covered malfunctions that affect the habitability of the dwelling. Constellation Home reserves the right to charge a \$75 fee for each non-emergency service call performed outside of its regular working hours. If an additional service technician must be called for assistance on a service call, the customer may be charged for the additional labor.

3. Term: Coverage begins on the Start Date stated at enrollment or upon inspection by a Constellation Home technician. If you are a monthly invoiced customer, you will be billed monthly for the Initial Term (as defined on the cover page) and will continue in perpetuity thereafter on a month-to-month basis until terminated by either party. During that renewal period, each monthly period will be treated as a separate contract period. Monthly customers will be billed monthly until canceled in the manner described herein. If you are an annually invoiced customer, you will be invoiced annually for the Initial Term and, unless you have opted out of automatic renewals as indicated on the cover page of this Contract, the Contract will renew for additional one-year terms until either party notifies the other of a cancellation. Constellation Home will send you a notice of renewal at least 30 days before your paid coverage begins, and before the end of each subsequent one-year term. The renewal notice will include any changes to the Contract terms, conditions, or price. Your Contract will automatically renew unless you notify us at least 10 days before the end of each renewal term that you are canceling or Constellation Home notifies you that it is not renewing your Contract. If you have opted out of automatic renewal on the cover page, you will receive a renewal notice, but your Contract will expire unless you send in your agreement to renew your coverage at least 10 days before the end of each one-year term.

4. Cancellation: You may cancel this Contract at any time with written notification to Constellation Home, or by contacting Customer Care during normal business hours. If you cancel this Contract within thirty (30) days of the date issued and service has not been rendered, we will refund all amounts paid. If you cancel after the first 30 days during the Initial Term of the Contract and no service has been rendered, Constellation Home is entitled to payment for the full year value of the Contract. If you cancel during the Initial Term and service has been rendered, or if you are a customer that is invoiced annually and you cancel during a renewal term and service has been rendered, then Constellation Home is entitled to keep the lesser of either: its cost of any service already performed or the full year’s value of the Initial Term or renewal term, as applicable. If cancellation occurs after the Initial Term and no service has been provided, refunds will be prorated based on the number of full months remaining under the renewal term of the Contract. Constellation Home may cancel this Contract prior to the end of the Initial Term for fraud, material misrepresentation, or non-payment by you; or if required to do so by any regulatory authority. Constellation Home reserves the right to cancel coverage, change terms and conditions and/or pricing with 30 days notice to you in accordance with applicable law. Constellation Home is not obligated to renew this Contract at any time.

5. Coverage Limitations: Service coverage will be limited to those service plans you have elected on the cover page of this Contract.

If the equipment or system component is covered under this contract but is not repairable due to its general condition, or if repair or replacement of parts would not render the equipment or system serviceable or usable for a reasonable period, or due to the inability of the manufacturer to provide suitable parts, Constellation Home shall have no liability other than to return the monies paid according to the cancellation policy. Replacement parts may not be available for products greater than ten years old. Constellation Home reserves the right to restrict specific ages and makes of equipment from eligibility due to non-availability of parts, and the choice of parts to be used shall be at the discretion of Constellation Home. Constellation Home will put forth its best effort to provide replacement parts, components or systems of similar mechanical capabilities and/or efficiency of the original (where available). However, Constellation Home is not liable to provide exact match in

Constellation Home shall not be liable for any consequential or other damages resulting from the failure of any component, system, item or appliance due to conditions beyond Constellation Home's control such as, but not limited to, unavailability of materials and/or labor. Systems with pre-existing conditions, faulty design or installation will not be covered.

The sole and exclusive remedy against Constellation Home or its agents, employees, officers or affiliates for any damages arising from Constellation Home services, equipment or work shall be limited to repair or replacement of Constellation Home installed or serviced equipment and shall not exceed the lesser of (a) the actual damages incurred to your equipment, (b) the replacement value of the equipment provided hereunder, or (c) three times the amount of money actually paid to Constellation Home under this agreement. In no event shall Constellation Home have any liability for any damages relating to alleged mold remediation, leakage/spillage of fuels (oil, propane or natural gas) from a storage tank, fuel pipe or any part of the system and/or equipment, or any consequential, special, incidental damages or exemplary damages.
