BGE Home Products & Services, LLC is doing business as Constellation Home.

Smart Service Plans from Constellation Home are your Protection Against Unexpected Repair Costs on Household Equipment.

What would happen if your central air conditioner broke down during the heat of summer, or your heating system stopped working? Suppose your water heater went on the fritz just after the manufacturer's warranty expired? Emergencies like these need to be addressed quickly and they could be very expensive.

Affordable Coverage

For pennies a day, Smart Service Plans protect your family budget from unexpected repair costs. In fact, our Smart Service Plans are so affordable that even one breakdown without coverage could instantly cover the entire cost of a plan.

Are You Prepared? With Smart Service You Can Be

Our Smart Service Home Comfort PLUS and Select Comfort Plans cover repairs on most makes and models of air conditioning and heating equipment and water heaters.

You'll have peace of mind knowing you can reach Constellation Home 24 hours a day, 7 days a week for emergency service and that a certified technician from our network of approved providers will fix it right the first time.
