

## \*SMART SERVICE TERMS AND CONDITIONS

1. Coverage: This service contract (Contract) will cover the adjustment of the covered heating/cooling system, water heater, electrical system or the replacement of any covered functional part as specified in this Contract. Contract applies to one single property per agreement. Contract covers only one of each system per Contract. Residential applications only. Constellation reserves the right to inspect and approve any equipment before issuing a new service plan (heat pumps and central air conditioners must be inspected before coverage can occur). We will waive this inspection if the equipment is currently under manufacturer's warranty or if this plan is a continuation of an existing plan issued by Constellation. Any inspections will be performed at our regular schedule of charges.

2. Service Call: In order to obtain service under this Contract, call 1-844-823-4663 for service during the hours between 8:00 a.m. and 6:00 p.m. Monday through Friday. All non-emergency service calls and, where offered, inspections (to be completed once a year at the customer's request) will be performed during Constellation's regular working hours (8:00 am to 6:00 pm Monday through Friday). Every attempt will be made to initiate non-emergency service within 48 hours of the time you contact us for service. Service calls will be made under this Contract within our service territory. Customer shall provide Constellation service providers with safe access to and safe working conditions at and around covered products. The ability of Constellation to provide emergency service within 24 hours is contingent upon weather conditions, customer call volume, road conditions and no force majeure events beyond our control including but not limited to flood, fire, strike, acts of God, etc. In the event we determine, at our sole discretion, that there is an emergency situation requiring expedited service, we will make reasonable efforts to expedite service. We will determine, at our sole discretion, which repairs constitute an emergency and will give consideration to covered malfunctions that affect the habitability of the dwelling. At our sole discretion, Constellation reserves the right to charge a \$75 fee for each non-emergency service call performed outside of our regular working hours. If an additional service technician must be called for assistance on a service call, the customer may be charged for the additional labor.

3. Term: Coverage begins on the coverage Start Date stated at enrollment or upon inspection by a Constellation authorized service provider. For monthly billing Smart Service, coverage continues for a minimum period of 12 months and will continue in perpetuity thereafter on a month-to-month basis until terminated by either party. Each monthly period will be treated as a separate contract period. Customer will be billed monthly and shall remain in effect until canceled in the manner described herein.

4. Cancellation: You may cancel this Contract at any time with written notification to Constellation. If service has been rendered under this Contract, no refunds will be given. If cancellation occurs within thirty (30) days of the date issued, we will refund all amounts paid if service has not been rendered. If canceled within the Initial Term of the Contract and service has been rendered, Constellation is entitled to demand or keep payment for the lesser of Constellation's cost of any service already performed or the

full year value of the plan. If cancellation occurs after the Initial Term, refunds will be prorated based on the number of full months remaining under the renewal term of the Contract. Constellation may cancel this Contract prior to the end of the Initial Term for fraud, material misrepresentation, or non-payment by you; or if required to do so by any regulatory authority. Constellation reserves the right to cancel coverage, change terms and conditions and/or pricing with 30 days notice to you in accordance with applicable law. Constellation is not obligated to renew this Contract at any time.
